If you make your investment as a result of advice received from your financial adviser, you are entitled to cancel your investment should you change your mind. In these circumstances you will have 14 calendar days from the date the cancellation form is received in which to exercise your right to cancel. Details of how you might exercise these rights will be sent to you with your contract note confirming the details of your investment. You are entitled to receive any money you have paid the Umbrella Fund, subject to a deduction of the amount, if any, that the value of your investment has fallen at the time your cancellation form is received by the Umbrella Fund. If you make a valid claim against us and we are unable to meet our liabilities you may be entitled to compensation. We are covered by the Financial Services Compensation Scheme which offers compensation when an authorised firm is unable to pay any upheld claims against it. Most types of investment are covered for 100% of the first £50,000.
